Re: *United States v. Oliver Hargreaves, 18 Cr. 746 (KPF)*

Dear Judge Failla:

With the consent of the defense, the Government writes respectfully to request a six-month adjournment of the defendant's sentencing, which is currently scheduled for October 9, 2019. The defendant has continued to proactively assist the Government's investigation, which remains active and ongoing. The Government expects that the defendant's cooperation will continue for the next six months. Among other things, the defendant is continuing to participate in consensually recorded calls involving several targets and is providing the Government with copies of written communications with those targets. In addition, the Government is currently exploring securing the defendant's return to the United States in connection with further proactive assistance planned for later this month. The defendant has remained fully compliant with his bail conditions, has followed the instructions of agents, and has abided the Government's requests connected with

his proactive assistance. Accordingly, we respectfully request a six-month adjournment of the defendant's sentencing.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
